NEW LAURELS FOR SKATING CHAMPION

Joe Moore Wins Three Firsts and Two Seconds at Newburgh.

CONDITIONS ARE IDEAL

Women's Title Holder, Miss Elsie Muller, Leads in Half Mile Race.

Special Dispatch to The New York Herald. Newburgh, N. Y., Jan. 2.—The Middle Atlantic ice skating championships and the Donahue Memorial trophy were won here to-day by Joe Moore of the International amateur speed champion. Moore won the title with a total of 100 points. Paul Foreman of the Tremont Club was second with 50 and the Lake Placid star, Leslie Boyd, finished third with 40. Moore won the quarter mile and the half mile events and finished second in the 220 yards and one mile races.

Miss Elsie Muller, national champion, won the women's championship. Miss Gladys Robinson, international champion, was tied for second with Miss Mildred Truslow.

The morning events developed some spirited competition in the heats, but when the skaters lined up in the final of the 220 yard dash, in which Paul Foreman of the Tremont Club was returned as the winner, the biggest surprise of the day, as Moore and Murphy of the 181st Street Ice Palace were considered the favorites of the meet.

Foreman jumped into the lead with the start and try as they might neither Murphy nor Moore were able to do more than come abreast of him. Going into the stretch a blanket would have covered the three, but Foreman by one of the prettiest sprints ever seen here, broke the tape less than a yard in front of Moore. Leslie Boyd managed to get up in time to take third money from Murphy. Foreman's time, 21.2 seconds, was remarkable as a strong head wind was blowing down the stretch.

Moore and Foreman fought out one of the prettiest duels in the quarter mile ever staged on the 8-lap track. The bunch got away on even terms at the crack of the gun, Moore taking the lead on the first turn with Foreman second. Going into the backstretch for the second time these two men opened up a gap of five yards and they were well ahead when the back of the stretch was reached. Moore getting the lead on the wire, when Foreman followed, by about three yards.

Moore led back for the first five rounds of the race in the half mile, when Lessee of Placid went out at a terrific clip, closely followed by Alfred Neuhur of Cleveland, who sprinted past Hennece as they entered the backstretch and opened up a gap on the field of about five yards, shaking off all but Murphy and Moore. As they hit the head of the stretch, Moore and Neuhur were closely bunched. Half way down the stretch Moore gained a slight advantage over Neuhur and won by less than ten yards, while Kenley, who took the decision for second money over Murphy. The time of 1:35 was considered very good under the conditions.

The three mile Donahue Memorial race was won by Moore in the fast time of 9:47.1-5. Moore taking the lead away from Boyd at the head of the stretch to win by about five yards.

Bobby McLean failed in his attempt to lower the world's record of 35.1-5 seconds for the quarter mile made by Howard Mosher of Newburgh, over the 181st Street Ice Palace, when he was unable to do better than 39.4-5 seconds with a flying start. Mosher's time from a standing start was 35.1-5 seconds.

Ray Murray of the 181st Street Ice Palace won the half mile race for schoolboys under 14. He also lowered his record for the 220 yard dash, when he skated the distance in 24.5 seconds.

Boxing Prohibited by Mayor of Havana
HAVANA, Jan. 2.—Fighting in Havana is prohibited under a decree issued to-day by Mayor De Villegas. LYNCH KNOCKS OUT WALKER IN A MINUTE

West Sider in Splendid Form Wins Bout in Whirlwind Style.

By CHARLES F. MATHISON.

Joe Lynch, former bantam champion of the world and favorite boxer of the West Side, scored a sensational knock-out over Al Walker, the San Francisco bantam, in one minute twenty seconds of the first round of a bout scheduled for twelve rounds at the Pioneer Sporting Club yesterday afternoon.

Lynch, showing the superb physical condition and fighting spirit that have characterized him in his last few performances in the ring, leaped at the first round and never stopped a furious onslaught till Walker, hit on the chin with a wicked right, fell face downward and was counted out.

Walker never had a chance from the time the bout started till he was counted out. He stood up and did not clinch or run away. He stood up and did not return some of the punishing blows that were showered upon him.

Lynch, however, was so speedy with hands and feet and so destructive and accurate with his shots that Walker was swept off his feet by the fusillade and was unable to recover from the effects of his punishment.

Right to Chin and Out.

Walker was stepping in with the object of getting close enough to reach Lynch's jaw when the West Sider shot a right that landed flush on the chin. He lurched forward and fell flat on his face. The formality of the count was proceeded with, but Walker had to be assisted to his corner.

Lynch's condition and performance gave the impression that the West Sider is in earnest in his determination to win back the title he lost to Pete Herman. It may also account for the sudden determination of Johnny Buff to get on the other side of the Atlantic Ocean.

Two other good bouts featured the program. Tommy Stapleton, who first gained fame by stopping Oakley Keyes, a knockout king, in one round, stopped Paty Bogash of Bridgeport, and a brother of Louis Bogash, in two minutes and forty seconds of the fourth round.

This was a slugging affair, the boys indulging in give and take tactics. Stapleton, who is rusty from too long a rest, was in trouble in the second and third rounds, but he rallied and flattened Bogash in the fourth with a series of left hooks to the body and jaw.

Willie Shaw and Johnny Darcy boxed ten rounds and the judges declared it to be a draw. Each forged to the front at times and it was a close fight at the finish. Shaw is a clever little fellow, while Darcy is a veteran and a dangerous fighter. Each fought toe to toe throughout the ten rounds without a letup.

Draws With Rosenthal.
Otis W. Field, treasurer of the Manhattan Chess Club and one of the contenders in the annual championship tournament, yesterday drew his game with J. Rosenthal, former New York State champion. The leading scores follow: Lieblich and Schapiro, each 34½-1½; Katz, 3-1; Black and Field, each 2½-1½; Belhoff, 2½-2½.

Quaker Southpaw Has Advantage Over Barney Adair in Every Session.
Special Dispatch to The New York Herald. PHILADELPHIA, Jan. 2.—Low Tandler, Philadelphia's favorite lightweight, defeated Barney Adair of New York in the eight round wind up at the Olympic A. A. this afternoon before a crowd of 6,000 fans.

Tandler dropped Adair in the fourth round with a quick series of short rights and lefts. Adair was up like a flash.

Every one of the rounds went to Tandler, who was fighting for the first time since the Sailor Friedman bout in New York. Tandler's right hand, which he injured in the Friedman bout, worried him, but he kept punching away until he was arm weary. Adair for the greater part of the time was backed up against the ropes, with Tandler trying to put over a knockout, while Adair was clever enough to cover up and protect his jaw, and when Tandler worked on him, Shadsworth O'Brien, New Yorker took many of the blows on his elbows.

A few of Adair's hard rights to the stomach caused Tandler to back up. Tandler was puffed and reddened at the final bell.

Willie Jackson, New York lightweight, scheduled for a contest with Sailor Joe Kelly of this city, was unable to go on, being troubled with a badly swollen left hand, which he received in his recent battle with Johnny Dundee. Jackson appeared at the club and to satisfy the skeptical removed the bandages in the ring.

Earl Hartman, member of the 1920 American Olympic boxing team, outpointed Pedro Campo, the Filipino boxer, in six rounds, and battling Leonard of Philadelphia defeated Joe Dorey, also of this city, in six rounds.

Tandler weighed 136 pounds and Adair scaled 141.

Schoell, Conceding Weight, Wins From K. O. Brennan
Special Dispatch to The New York Herald. BUFFALO, N. Y., Jan. 2.—Frankie Schoell, local water champion, stepped out of his class this afternoon, took on Knockout Brennan, local middleweight champion, and giving away fourteen pounds, won a judge's decision against the heavier, harder hitting Brennan.

Schoell weighed 141 and Brennan 155. Brennan made his usual teasing, rushing right, trying to repeatedly, intent upon a knockout, but the lighter, faster, more scientific Schoell managed to stand him off and count repeatedly, although his punches lacked the steam which made for a knockdown or knockout.

Wills Loses to Tate on Foul.
PORTLAND, Ore., Jan. 2.—Bill Tate, of Chicago, won on a foul over Harry Wills, of New York, in the first round of a scheduled ten round bout here to-day. Both are negro heavyweight. Wills smashed Tate with a right to the jaw when Tate was attempting to obey the referee's order to break from a clinch. The round had about ten seconds to go.

The South Shrewsbury Club has a leg on the New Jersey state pennant and this unfinished race will be sailed here within a few days.

Referee and Timer Disagree in Reese-Clifford Bout

There was a timing dispute between Referee Charley Draycott and Timekeeper Charley Williamson at the Broadway Exhibition Association yesterday afternoon during the bout between Freddie Reese and Eddie Clifford, and the referee declared himself to be the winner.

Reese dropped Clifford in the fourth round, and according to the rule of the Boxing Commission the referee and timer began to count simultaneously. Williamson counted according to his watch and Draycott was guided by instinct. When Williamson had counted ten, with a claim that Reese had won by knockout, as the timer had counted ten before Clifford got on his feet.

After a minute's delay, which enabled Clifford to recuperate, the referee ordered the boxers to finish the bout. Reese scored well in the remaining eight rounds and received the verdict of his judges.

The main bout of twelve rounds resulted in a victory for Mickey Nelson, the Chinatown flyweight, over Young Zulu Kid. Zulu had the advantage over his more youthful opponent in the first six rounds, but Nelson finished strongly in the remaining rounds and got the decision.

Happy Gorman and Billy Prince, two fast Brooklyn featherweights, fought to a draw. The lads fought toe to toe throughout the ten rounds without a letup.

Young Mike Donovan Defeats Bottling Hickey
Young Mike Donovan, a son of the former boxing instructor of the New York A. C., earned the judges' decision over Bottling Hickey after twelve rounds of hard fighting at the Rink Sporting Club in Brooklyn yesterday afternoon. Donovan was much speedier and more clever than his clumsy opponent, whose chief qualification is ability to stand punishment.

Charley Pitts, the hard hitting Australian, won his bout with Italian Jack Dempsey, the contest going the limit of twelve rounds. Pitts won all the way.

Happy Mahoney and Willie Burke fought twelve sizzling rounds, with the honors going to the former. He landed the cleaner and heavier blows.

LEONARD-MITCHELL BOUT GOES OVER

Will Meet on January 9 Owing to Milwaukee Boxer's Indisposition.

MILWAUKEE, Wis., Jan. 2.—Benny Leonard, lightweight champion boxer, will meet Pinky Mitchell of Milwaukee here on Monday night, January 9, in a ten round no decision bout instead of this afternoon as originally arranged, the postponement being occasioned by a muscular affliction suffered by Mitchell.

Both Leonard and Mitchell went through the formality of weighing in this afternoon, each registering 137½ pounds.

Billy Gibson, manager of Leonard, figures that by having the champion meet Mitchell on the 9th he will still be able to carry out the arrangement for the contesting of the bout, his engagement at New Orleans on January 16.

Mitchell wound up his active training Saturday and was reported to be in the pink of condition. The muscular trouble attacked him yesterday, but nothing was given out pending an effort to offset the affliction through treatments. Not until 9:30 this forenoon was it made known that the bout would not take place.

Mitchell is suffering an attack of what physicians term myositis, which is an inflammation of the muscles. The trouble affects his left shoulder and is said to paralyze control of the arm.

Promoter Tom Andrews reported a complete sell out of the big audience arena, which means that 8,000 persons had arranged to witness the contest.

The cancellation of the match came too late to prevent the attendance of 2,000 from other cities. Special trains from Chicago came in loaded down for the battle, which promised to be one of the best interesting in many years here.

So anxious was Leonard to box that he offered to meet any one whom the promoters might select, but the Boxing Commission did not favor a substitute program, and advised postponement of the bout.

Later in the day there was talk of staging a match between Leonard and Johnny Mendelsohn next Friday night, and also of having Leonard meet Mitchell at that time, providing Mitchell's arm was well again. Both propositions fell through.

The champion was a keenly disappointed lad when the show was called off. He took a short auto ride early in the afternoon to escape the condolences of his friends and later stayed in his room.

Mitchell went to his home after the weighing in and refused to see friends. He was the big chance of Pinky's life time and it hurt him to have to pass it up.
